Do you want to change the order of the items?

Awesome, don't do anything.
That was easy.

OK, use these:

order: <whole number>; on item

Do you need some items to grow if necessary?

Awesome, don't do anything. That was easy.

OK, use these:

Flex-grow: <whole number>; on item

Do any of these items need to be aligned differently than the others?

OK, you're done. That was super easy.

OK, use these:

align-self: flex-start; on item
